

CMFI Email Alert – CMFI Comment Letter on Money Market Fund Reform
Friday, September 11, 2009

The Coalition of Mutual Fund Investors (CMFI) sent a comment letter to the Securities and Exchange Commission (SEC) yesterday, regarding proposals by the SEC to reform its money market fund rules.

The CMFI comment letter advocates that the proposed rule amendments include a provision that requires full transparency in third-party hidden accounts, so that money market funds can evaluate liquidity risks at the investor level more accurately and on a real-time basis.
